The Panhandle Autism Society Needs Your Help!!!

One in every 150 children are born with autism, making it the fastest growing developmental disability in our country. These children are highly intelligent, however they experience hardship in thriving in a traditional educational environment. The Panhandle Autism Society has provided an educational environment to children with autism in Kootenai County for the past three years. As a privately funded school, they rely on community support to continue to provide quality education to fit the needs of their students.

If effort to allow this program to thrive, a Wine Tasting and Silent Auction has been scheduled for:
March 6, 2008 at 6pm at The Barrel Room No.6 in downtown Coeur d'Alene.

All proceeds from this event will directly support the **Panhandle Autism Society's Skill Building Program.**
Thank you for your support and participation in keeping our doors open.

I wish to support the Panhandle Autism Society with my tax deductible donation of:

Cash Donation: \$50 \$100 \$500 other \$ _____
